**Title:** Decision-Making for the Periodontal Team

**Series:** QuintEssentials of Dental Practice

**Short text:**

High-quality dental patient management demands an appropriately skilled team. It is the general dental practitioner's responsibility to coordinate the team and to take overall responsibility as the team leader. This book describes how to build a team that provides all the specialties necessary to achieve a stable, functional, esthetic masticatory unit, which not only encompasses the management of periodontal disease, but integrates a treatment plan the patient can maintain.
