# Product information

**Authors:** Douglas A. Terry  
**Title:** Esthetic and restorative dentistry  
**Subtitle:** Material selection and technique

**Short text:**

These supplementary DVDs illustrate the procedures, techniques, and scientific concepts presented in the book *Esthetic and Restorative Dentistry: Material Selection and Technique, Second Edition*. Each video begins with an introduction by Dr Terry that touches on the science and application of the technique involved, followed by live demonstrations of that technique from clinical cases similar to those presented in the respective chapter.
