

Official journal of the  
**German Society for Functional Diagnostics  
 and Therapy (DGFDT)**

Issue 4 is always published with a supplement  
 for the annual meeting of the DGFDT  
 (Abstract issue for meeting participants).

# Journal of Craniomandibular Function

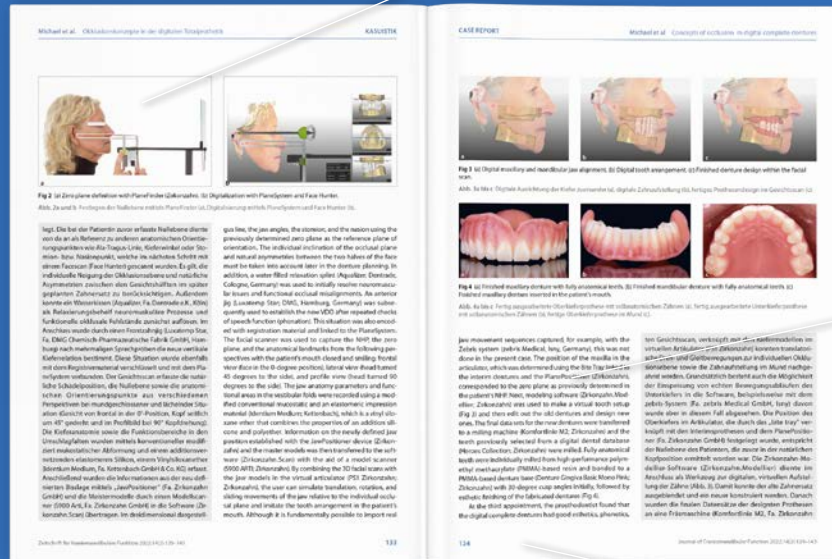

**Editor-in-chief:** Prof. Dr. Alfons Hugger, Heinrich Heine University Düsseldorf, Germany

**Area of publication:** worldwide

**Target group:** dentists with a special interest in functional diagnostics and therapy

**Language:** English and German

The Journal of Craniomandibular Function is the only journal in German-speaking countries dedicated to functional questions within dentistry and beyond. In addition to bruxism and TMD, it covers a broad spectrum of topics and pursues an interdisciplinary approach. The journal reports bilingually in German and English and is therefore internationally renowned.

Current original and review  
 studies, clinical case reports,  
 interesting study results,  
 practical tips, congress reports,  
 guidelines, and practical  
 reports are published from  
 across the field of functional  
 diagnostics and therapy.

In addition, the journal  
 informs readers  
 about news from the  
 professional societies and  
 provides current congress  
 information and book  
 reviews.
