## Book information

**Authors:** P. Finbarr Allen  
**Title:** Teeth for Life for Older Adults  
**Series:** QuintEssentials of Dental Practice

#### Short text:

As our ageing population retain more teeth into old age, the burden of dental maintenance increases. This text presents an overview of these challenges facing the dentist and how edentulousness in old age can be prevented with long-term treatment planning. Treatment strategies designed to minimize risk to the remaining natural dentition are also described.

#### Contents

Chapter 01. The Edentulous State  
Chapter 02. Changing Times: The Dentate Elderly  
Chapter 03. Threats to Oral Health in Older Adults  
Chapter 04. Ageing and Periodontal Disease
